NOTICE OF FILING OF FOREIGN JUDGMENT

You are hereby notified that on July 15, 1997, pursuant to Ohio Revised Code Section 2329.022, Mark L. Godwin, 4050 Henderson Rd., Hickory, Pennsylvania 15340, filed a copy of the judgment obtained by him against you on December 6, 1994, in the Washington County Pennsylvania Magistrate's District Court 27-3-06, a copy of which is attached to this notice.

This judgment, on being filed pursuant to this section, has the same effect and is subject to the same procedures, defenses, and proceedings for reopening, vacating, or staying as a judgment of a Court of Common Pleas of this state, and may be enforced or satisfied in same manner as a judgment of a court of common pleas. However, no execution or other process for enforcements of a judgment that is filed pursuant to this section may issue until thirty days after the date that judgment is filed.

If you are able to show to this court that an appeal is pending or will be taken from this judgment, or that a stay of execution has been granted, and if proof is given to this court that you have furnished the security for satisfaction of the judgment that is required by the jurisdiction in which the judgment was issued, this court will stay enforcement of the judgment until the appeal is finally decided, the time for appeal expires, or the stay of execution expires or is vacated.

Further, if you are able to show to this court any ground upon which enforcement of a judgment of this court would be stayed, the court will, upon requiring the security for satisfaction of the judgment provided under Ohio law, stay enforcement of the judgment for an appropriate period.

You therefore have a period of 30 days beginning on July 15, 1997, the date of filing of this judgment, within which to request, and to demonstrate to this court that you are entitled to, a stay of enforcement of this judgment. Failure to make such a request within this time may result in the execution of this judgment against your property without further notice.

It is recommended that you contact an attorney if you wish to request a stay of enforcement of this judgment. You may also wish to contact plaintiff's attorney in this state, Daniel G. Padden, whose address and telephone number is 139 Court House Square, Cambridge, OH 43725, (614) 432-6322.

On this 15th day of July, 1997, the Defendant personally appeared in open Court for purposes of arraignment upon the Indictment without counsel and Daniel G. Padden, the Assistant Prosecuting Attorney appeared for and on behalf of the State of Ohio.

Upon inquiry of the Defendant, the Court hereby finds the Defendant to be a quasi indigent person and at the request of the Defendant, appointed Attorney Jack A. Blakeslee and John M. Mackey as co-counsel to represent him herein.

IN THE COURT OF COMMON PLEAS
OF GUERNSEY COUNTY

VS

CASE NO. 8779

James and Ashley Hanby

NOTICE OF FILING OF FOREIGN JUDGMENT

You are hereby notified that on **February 12, 1998**, pursuant to Ohio Revised Code Section 2329.022, **Square D Federal Credit Union** filed a copy of the judgment obtained by them against you on **August 1, 1994** in the **Miami Superior Court, County of Miami, State of Indiana**, a copy of which is attached to this notice.

This judgment, on being filed pursuant to this section, has the same effect and is subject to the same procedures, defenses, and proceedings for reopening, vacating, or staying as a judgment of a Court of Common Pleas of this state, and may be enforced or satisfied in same manner as a judgment of a Court of Common Pleas. However, no execution or other process for enforcements of a judgment that is filed pursuant to this section may issue until thirty days after the date that judgment is filed.

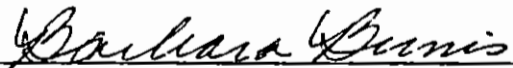

If you are able to show to this Court that an appeal is pending or will be taken from this judgment, or that a stay of execution has been granted, and if proof is given to this court that you have furnished the security for satisfaction of the judgment that is required by the jurisdiction in which the judgment was issued, this court will stay enforcement of the judgment until the appeal is finally decided, the time for appeal expires, or the stay of execution expires or is vacated.

Further, if you are able to show to this court any ground upon which enforcement of a judgment of this court would be stayed, the court will, upon requiring the security for satisfaction of the judgment provided under Ohio law, stay enforcement of the judgment for an appropriate period.

You therefore have a period of 30 days beginning on **February 12, 1998**, the date of filing of this judgment, within which to request, and to demonstrate to this court that you are entitled to, a stay of enforcement of this judgment. Failure to make such a request within this time may result in the execution of this judgment against your property without further notice.

It is recommended that you contact an attorney if you wish to request a stay of enforcement of this judgment. You may also wish to contact plaintiff's attorney in this state, **Jo Ellen Hayes, 139 Courthouse Square, Cambridge OH 43725**, and whose telephone number is (740) 432-6322.

Guaranty and Suretyship Agreement

With Power to Confess Judgment

1. To induce

Mellon Bank, N.A.

("Bank") to transact business and to make credit accommodations with

INTERNATIONAL SATELLITE SYSTEMS, INC.

DBA INTERNATIONAL CABLE SYSTEMS

("Debtor"), Undersigned, as defined below, does hereby guarantee, absolutely and unconditionally, and does hereby become surety for the full and timely payment of the principal of, and interest on, all obligations, debts, dues, instruments, liabilities, advances, judgments, damages, losses, claims, contracts, and choses in action, of whatever nature and however arising, past, present or future, and any and all extensions and renewals thereof in whole or in part, whether direct or indirect, absolute or contingent, voluntary or involuntary, now due or to become due, and whether owed to Bank from Debtor as drawer, maker, endorser, assignor, guarantor, surety, or otherwise whatsoever ("Obligations"), except this Guaranty and Suretyship Agreement ("Agreement") shall not extend to any obligation of Debtor which is defined as "consumer credit" by Federal Reserve Board Regulation Z, 12 C.F.R. § 226.1 et seq., and is not exempted from the application of that Regulation. Undersigned will reimburse Bank or any subsequent holder hereof for all expenses incurred, and not reimbursed by Debtor, in collection of any Obligations. If this Agreement is referred for collection to an attorney, Undersigned will pay an attorney's fee equal to the lesser of (a) 20% of the amount due or \$500, whichever is greater, or (b) the maximum amount permitted by law, and costs of legal proceedings. The Undersigned's Obligations hereunder shall be payable at Bank's offices at
Pittsburgh, Pennsylvania

2. This is a guaranty of payment and not merely of collection. In the event of any default by Debtor in payment or otherwise on any Obligations, Undersigned will pay all or any portion of Obligations due or thereafter becoming due, whether by acceleration or otherwise, without defalcation or offset of any kind, without Bank first being required to make demand upon Debtor or pursue any of its rights against Debtor, or against any other person, including other guarantors; and without being required to liquidate or realize on any collateral security. In any right of action accruing to Bank, Bank may elect to proceed against (a) Undersigned together with Debtor; (b) Undersigned and Debtor individually; or (c) Undersigned only without having first commenced any action against Debtor.

3. Undersigned hereby grants to Bank a security interest in, lien upon, and right of setoff against, all deposit accounts, credits, securities, moneys or other personal property of Undersigned which may at any time be in the possession of, delivered to or owed by Bank, including any proceeds or returned or unearned premiums of insurance, and the proceeds of all the foregoing property.

4. Bank, without notice to Undersigned, may deal with Obligations and any collateral security therefor in such manner as Bank may deem advisable and may renew or extend Obligations or any part thereof; may accept partial payment, or settle, release, or compromise the same; may

demand additional collateral security for Obligations, and substitute or release the same; and may compromise or settle with or release and discharge from liability any of Undersigned or any other guarantor of Obligations, or any other person liable to Bank for all or part of the Obligations; all without impairing the liability of Undersigned hereunder.

5. Undersigned hereby unconditionally waives: (a) notice of acceptance of this Agreement by Bank and any notice of the incurring by Debtor of any Obligations; (b) presentment for payment, notice of nonpayment, demand, protest, notice of protest and notice of dishonor or default to any party including Undersigned; (c) all other notices to which Undersigned may be entitled but which may legally be waived; (d) demand for payment as a condition of liability under this Agreement; (e) any disability of Debtor or defense available to Debtor, including absence or cessation of Debtor's liability for any reason whatsoever; (f) any defense or circumstance which might otherwise constitute a legal or equitable discharge of a guarantor or surety; (g) all rights under any state or federal statute dealing with or affecting the rights of creditors; and (h) until Obligations are paid in full, any right to subrogation or realization on any of Debtor's property, including participation in the marshalling of Debtor's assets.

6. This Guaranty and Suretyship Agreement and Undersigned's payment obligations hereunder shall continue to be effective or be reinstated, as the case may be, if at any time payment of any of Obligations is rescinded or must otherwise be restored or returned by Bank, all as though such payment had not been made. Bank's good faith determination as to whether a payment must be restored or returned shall be binding on Undersigned.

7. Until Obligations are paid in full, Undersigned hereby unconditionally subordinates to Obligations all present and future debts, liabilities, or obligations of Debtor to Undersigned, and all amounts due under such debts, liabilities, or obligations shall be collected and paid over to Bank on account of Obligations. Undersigned, at Bank's request, shall execute a subordination agreement in favor of Bank to further evidence and support the purpose of this Paragraph 7.

8. Undersigned warrants to Bank: (a) no other agreement, representation or special condition exists between Undersigned and Bank regarding the liability of Undersigned hereunder; nor does any understanding exist between Undersigned and Bank that the Obligations of Undersigned hereunder are or will be other than as set out herein; and (b) as of the date hereof Undersigned has no defense whatsoever to any action or proceeding that may be brought to enforce this Agreement.

9. Undersigned will provide financial information to Bank upon request, including balance sheets and income statements, in form and content satisfactory to Bank.

10. No failure or delay on the part of Bank in exercising any right, power or privilege hereunder shall constitute a waiver thereof; nor shall any single or

any right, power or privilege hereunder, include any other or further exercise thereof, or the exercise of any other right, power or privilege. Failure by Bank to insist upon strict performance hereof shall not constitute a relinquishment of its right to demand strict performance at another time. Receipt by Bank of any payment by any person on Obligations, with knowledge of a default on any of Obligations or of a breach of this Agreement, or both, shall not be construed as a waiver of the default or breach.

11. THIS AGREEMENT IS A CONTINUING GUARANTY AND SHALL CONTINUE IN FORCE UNTIL RECEIPT BY BANK OF WRITTEN NOTICE OF REVOCATION BY UNDERSIGNED OR RECEIPT OF NOTICE OF UNDERSIGNED'S DEATH; AND IN EITHER OF SUCH EVENTS THIS AGREEMENT SHALL CONTINUE IN EFFECT NEVERTHELESS UNTIL ALL EXISTING OBLIGATIONS OF DEBTOR TO BANK ARE PAID; IT BEING CONTEMPLATED THAT DEBTOR MAY CREATE OR INCUR OBLIGATIONS, REPAY AND SUBSEQUENTLY CREATE OR INCUR OBLIGATIONS WITHOUT NOTICE TO UNDERSIGNED; AND UNDERSIGNED, BY PERMITTING THIS AGREEMENT TO REMAIN IN EFFECT, SHALL BE BOUND.

12. This Agreement is freely assignable and transferable by Bank; however, the duties and obligations of Undersigned may not be delegated or transferred by Undersigned without the written consent of Bank. The rights and privileges of Bank shall inure to the benefit of its successors and assigns, and the duties and obligations of Undersigned shall bind Undersigned's heirs, personal representatives, successors and assigns.

13. If any provision hereof shall for any reason be held invalid or unenforceable, no other provision shall be affected thereby, and this Agreement shall be construed as if the invalid or unenforceable provision had never been a part of it.

14. As used herein, "Undersigned" refers individually and collectively to all signers of this Agreement, including in the case of any partnership all general partners of such partnership individually and collectively, whether or not such partners sign below. Undersigned shall each be jointly and severally bound by the terms hereof, and each general partner of any partnership executing this Agreement shall be bound hereby both in such general partner's individual and partnership capacities.

15. This Agreement shall in all respects be governed by the laws of the state where Undersigned's Obligations hereunder are payable as set forth herein.

16. UNDERSIGNED HEREBY EMPOWERS THE PROTHONOTARY OR ANY ATTORNEY OF ANY COURT OF RECORD TO APPEAR FOR UNDERSIGNED AND TO CONFESS JUDGMENT AS OFTEN AS NECESSARY AGAINST UNDERSIGNED IN FAVOR OF THE HOLDER HEREOF, AS OF ANY TERM, FOR THE ABOVE DESCRIBED OBLIGATIONS PLUS INTEREST DUE, TOGETHER WITH COSTS OF SUIT AND AN ATTORNEY'S COMMISSION EQUAL TO THE LESSER OF (A) 20% OF ALL SUCH OBLIGATIONS OR \$500, WHICHEVER IS GREATER, OR (B) THE MAXIMUM AMOUNT PERMITTED BY LAW, WITH RELEASE OF ALL ERRORS. UNDERSIGNED WAIVES ALL LAWS EXEMPTING REAL OR PERSONAL PROPERTY FROM EXECUTION.

Note and Line of Credit Agreement

Date
November 22, 1995

\$ 15,000.00

Promise To Pay. FOR VALUE RECEIVED, and intending to be legally bound, Undersigned, as defined below, promises to pay to:

- Mellon Bank, N.A. ("Bank")
- Mellon Bank (DE) National Association ("Bank")

or its order at Pittsburgh, Pennsylvania
the sum of Fifteen Thousand and 00/100

Dollars (\$ 15,000.00), or such lesser or greater principal amount as may be outstanding from time to time under the line of credit ("Line of Credit") established hereunder by Bank for the benefit of Undersigned, with interest on the outstanding balance from the date of this Note and Line of Credit Agreement ("Note") at the rate(s) ("Contractual Rate(s)") and in accordance with the repayment schedule specified below.

Borrowing Money. (Please read carefully.) From the date hereof to but not including 11/20/2000 (the "Maturity Date"), Undersigned may borrow money from Bank through the Line of Credit, up to the amount shown above, by using Mellon Bank's Business Banking Telephone Hotline to access Undersigned's Line of Credit and to transfer funds to Undersigned's designated Mellon Checking Account.

Subject to rules and regulations established by Bank from time to time, Undersigned may also borrow money from Bank by using such other means, if any, as Bank may provide for that purpose. Bank reserves the right to change or eliminate, without notice, any means by which Undersigned may borrow through the Line of Credit and to establish new means by which Undersigned may borrow. Undersigned may not use borrowings to make payments due under the Line of Credit or other indebtedness in favor of Bank.

Undersigned authorizes and directs Bank to deposit borrowings from Undersigned's Line of Credit into Mellon Checking Account Number 009-6241, titled in the name(s) of International Cable Systems. Undersigned understands and agrees that, if any person or entity is authorized to sign on or otherwise use Undersigned's designated Mellon Checking Account or any deposit, checking or credit account linked with Undersigned's designated Mellon Checking Account through Bank-by-Phone or Business Bank-by-Phone, such person or entity is also authorized to borrow money through the Line of Credit by the Business Banking Telephone Hotline. Undersigned further understands and agrees that Undersigned must repay all amounts borrowed by such person(s) or entity(ies) as though Undersigned had borrowed such money. Undersigned understands that Bank, upon Undersigned's written request, will exclude any of Undersigned's Mellon Bank accounts from Bank-by-Phone or Business Bank-by-Phone, and it is recommended that Undersigned make such request if necessary for the protection and security of Undersigned's accounts.

If Bank allows borrowings above the amount shown above, all the terms of this Note will apply to those borrowings. By signing this Note, Undersigned hereby requests Bank to permit the borrowing of money through Undersigned's Line of Credit by the use of Mellon Bank's Business Banking Telephone Hotline and agrees that such borrowings may be effected by one person, even if any agreement, signature card, instructions or resolutions for the Line of Credit provide for borrowings over two signatures or other special arrangements.

Each borrowing will usually be processed on the same day that transfer instructions were given via the Business Banking Telephone

Hotline, and be available in the designated Mellon Checking Account on the first business day following the day that transfer instructions were given via the Business Banking Telephone Hotline; however, Bank reserves the right to not make a borrowing available in the designated Mellon Checking Account until a date after the business day following the day that transfer instructions were given. For example, if transfer instructions are given on Monday, the borrowing will normally be available in Undersigned's designated Mellon Checking Account on Tuesday; however, Bank reserves the right to not make the borrowing available until Wednesday, or later. (This example assumes that Monday, Tuesday and Wednesday were all business days. Saturdays, Sundays, and any holidays or other days on which Bank is generally not open for business will not be considered business days.)

Undersigned agrees that Bank may, at its option, record telephone calls made to effect a borrowing from the Line of Credit. Bank will not be liable for acting in good faith upon telephone orders or requests which Bank believes in its sole discretion were made or authorized by Undersigned. Bank will be entitled to presume that all telephone callers who accurately identify Undersigned's Line of Credit account number and the designated Mellon Checking Account number are authorized to conduct the transactions described in this Note, even if the designated Mellon Checking Account and/or any borrowing authorization or resolution provides for any covered action to be made by more than one person acting together, or for other special arrangements. Undersigned agrees that this Note amends any other agreement, instruction, resolution or authorization of Undersigned requiring more than one person to act with regard to the Line of Credit or the designated Mellon Checking Account or any other account linked to either the Line of Credit or the designated Mellon Checking Account. Undersigned further agrees that this Note amends (and will be deemed to override) any such agreement, instruction, resolution or authorization made or given by Undersigned in the future as such agreement, instruction, resolution or authorization would otherwise relate to this Note unless that agreement, instruction, resolution or authorization is received by Bank and specifically indicates that it is intended to modify this Note. All telephone instructions executed by Bank in good faith and in accordance with the procedure described above will be binding upon Undersigned.

Notwithstanding any other provision of this Note, Undersigned's ability to borrow money from Bank through the Line of Credit shall not be effective until an authorized representative of Bank has signed this Note to evidence Bank's approval of the Line of Credit.

Contractual Rate(s); Repayment Schedules.

12% PLR Interest at a rate per annum which is 2.00% above Bank's Prime Rate, such rate to change from time to time as of the effective date of each announced change in such Prime Rate, shall be paid when principal payments are due. Principal shall be paid in 59 consecutive monthly installments equal to 1/60th of the principal balance hereof outstanding on the Billing Date, commencing on 12/20/95, and continuing thereafter on the 20th day of each month; provided, however, that each monthly installment of principal will be no less than \$100.00, and provided further that the amount of the monthly installment of principal shall never exceed the amount of principal actually outstanding. The entire balance of the indebtedness, if not sooner paid, shall be due and payable on 11/20/2000. (The day of each month on which principal and/or interest shall be paid, as described above, is the "Due Date".)

12% PLR The Billing Date shall be two days before the Due Date.

PLAINTIFF'S EXHIBIT 15

The Billing Date shall be _____ days before the Due Date.

The principal balance hereof, together with all accrued and unpaid interest, shall be paid on _____, and interest at a rate per annum which is _____% above Bank's Prime Rate, such rate to change from time to time as of the effective date of each announced change in such Prime Rate, shall be paid on the _____ day of each month commencing on _____.

The principal balance hereof, together with all accrued and unpaid interest, shall be paid on _____, and interest at a rate per annum which is _____% above the CD Rate, such rate to change from time to time as of the effective date of each change in or resetting of the CD Rate, shall be paid on the _____ day of each month commencing on _____.

In no event shall the rate charged on this Note exceed the lesser of _____% per annum or the highest rate permitted by applicable law.

Undersigned agrees that Bank may, at its option, renew or extend the Line of Credit by sending or delivering notice of such renewal or extension to Undersigned. Such notice shall set forth a new Maturity Date for the Line of Credit and any other changes to the terms and conditions of the Line of Credit. Except as specified in such notice, all terms, conditions and provisions of this Note shall remain unchanged. Undersigned further agrees that Undersigned will be deemed to have accepted such renewal or extension if Undersigned (a) borrows money under the Line of Credit after the Maturity Date that was in effect prior to such renewal or extension, (b) makes any payments due under the Line of Credit after the Maturity Date that was in effect prior to such renewal or extension (other than payment in full of all indebtedness due under the Line of Credit), or (c) otherwise fails to notify Bank in writing that Undersigned declines or rejects such renewal or extension within thirty (30) days after Bank sends or delivers notice of renewal or extension.

Undersigned shall pay Bank concurrently with the execution and delivery hereof, or Undersigned previously has paid Bank, an origination fee of \$ 100.00, which includes the first year's annual servicing fee for the Line of Credit and a fee to compensate Bank for its underwriting, origination and administration of the Line of Credit. The origination fee shall be deemed fully earned by Bank on the date hereof. In addition, Undersigned will pay Bank an annual servicing fee of \$ 50.00, payable in advance, on or after each anniversary of the date hereof, to compensate Bank for its servicing and administration of the Line of Credit. The fees described in this paragraph shall not be refunded and are in addition to any other fees, costs or expenses which may be due and payable hereunder.

Unless Undersigned has authorized Bank to take payments out of a Mellon Checking Account, as set forth below, Undersigned will mail or deliver to Bank the amount billed by Bank each month. Undersigned will mail or deliver the payments so that Bank receives all payments no later than the due dates shown on the bills.

Trust 211 Undersigned authorizes Bank to take all payments of principal and/or interest and/or other amounts due under this Note out of Undersigned's Mellon Checking Account Number 009-6241, titled in the name(s) of International Cable Systems on or after the due date each month. Undersigned will keep a sufficient balance in this account to cover the full amounts of all required payments. At its option, Bank may terminate Undersigned's ability to use this service. This authorization shall remain in effect until revoked by Undersigned in writing or until the Line of Credit is paid in full and terminated or until Bank has terminated Undersigned's ability to use this service, as the case may be. Prior

to maturity, while this authorization is _____ and provided that Undersigned keeps a sufficient balance in this account to cover the full amounts of all required payments, the Contractual Rate(s) shall be reduced by 0.25% per annum. This authorization will be effective even though this Note and the account may be titled in different versions of Undersigned's name.

If the original principal amount of this Note shown above is in excess of \$10,000.00, or if Undersigned is a corporation, interest shall be calculated on the basis of a 360-day year and actual days elapsed. If the original principal amount of this Note shown above is \$10,000.00, or less, and Undersigned is not a corporation, interest shall be calculated on the basis of a 365-day year or 366-day year, as the case may be, and actual days elapsed.

"Prime Rate" shall mean the interest rate per annum announced from time to time by Bank as its Prime Rate. The Prime Rate may be greater or less than other interest rates charged by Bank to other borrowers and is not solely based or dependent upon the interest rate which Bank may charge any particular borrower or class of borrowers.

If a single certificate of deposit is held by Bank as collateral security for the indebtedness evidenced by this Note, as more fully described in the Assignment of Deposit Account expressly referring to this Note, "CD Rate" shall mean the interest rate paid by Bank on such certificate of deposit (the "Certificate"), said CD Rate to be reset by Bank at each renewal of the Certificate. If more than one certificate of deposit is held by Bank as collateral security for the indebtedness evidenced by this Note, as more fully described in the Assignment(s) of Deposit expressly referring to this Note, "CD Rate" shall mean the highest of the interest rates paid by Bank on such certificates of deposit (the "Certificates"), said CD Rate to be reset at each renewal of each Certificate.

Late Charge. If any payment (other than the final payment) is not paid within 15 calendar days after it is due, Undersigned will pay a late charge of the greater of \$25.00, or three percent (3%) of the unpaid portion of the scheduled payment due (regardless of whether the payment due consists of principal and interest, principal only or interest only). If the final payment is not paid within 15 calendar days after it is due, Undersigned will pay a late charge of the greater of \$25.00, or three percent (3%) of an amount equal to the unpaid portion of a hypothetical payment calculated in accordance with the repayment schedule described above as though such payment were not the final payment (regardless of whether the final payment consists of principal and interest, principal only or interest only). Such late charge shall be in addition to any increase made to the Contractual Rate(s) applicable to the outstanding balance hereof as a result of maturity of this Note or otherwise, as well as in addition to any other applicable fees, charges and costs.

Default Rate(s); Post-Maturity Rate(s). Upon the occurrence of any Event of Default (as defined in this Note), at Bank's option, interest shall accrue at a rate equal to two percent (2%) per annum above the Contractual Rate(s) until the earlier of the date that such Event of Default has been cured or until and including the date of maturity hereof.

After maturity, whether by acceleration or otherwise, interest shall accrue at a rate two percent (2%) per annum above the Contractual Rate(s) until all sums due hereunder are paid. Interest shall continue to accrue after the entry of judgment (by confession or otherwise) at the Contractual Rate(s) until all sums due hereunder and/or under the judgment are paid, except that after maturity or, at Bank's option, upon the occurrence of any Event of Default, interest shall accrue at a rate equal to two percent (2%) per annum above the Contractual Rate(s).

Books and Records; Time of Essence. So long as Bank is the holder hereof, Bank's books and records shall be presumed, except in the case of manifest error, to accurately evidence at all times all amounts outstanding under this Note and the date and amount of each advance and payment made pursuant hereto.

The prompt and faithful performance of all of Undersigned's obligations hereunder, including without limitation time of payment, is of the essence of this Note.

Security Interest, Setoff and Assignments. To secure all amounts at any time owing or payable under this Note and Undersigned's obligations hereunder, as well as to secure all costs and expenses incurred by Bank in the collection or enforcement of this Note or the protection of any collateral securing this Note (including without limitation all advances made by Bank for taxes, levies, insurance, filing fees, and repairs to or maintenance of said collateral), Undersigned hereby grants to Bank a security interest in, lien upon, and right of setoff against, all deposit accounts, credits, securities, moneys, or other property of Undersigned which may at any time be in the possession of, delivered to, or owed by Bank, including any proceeds or returned or unearned premiums of insurance, and the proceeds of all the foregoing property. Other property, real or personal, may secure this Note, as set forth in other documents and agreements.

Undersigned acknowledges and agrees that Undersigned shall renew, or cause to be renewed, the Certificate(s), if any, until the indebtedness evidenced by this Note has been paid in full. Undersigned further agrees that Undersigned will execute, or will cause to be executed, upon demand by Bank any financing statements or other documents, including, without limitation, additional Assignments of Deposit Account, which Bank may deem necessary or desirable to evidence, perfect or maintain perfection of the security interests created in the Certificate(s) and any renewals, replacements and substitutions thereof.

Additional Terms and Conditions

2. **Events of Default.** The occurrence of any of the following shall constitute an "Event of Default" hereunder: (a) default in payment or performance of any of the indebtedness or obligations evidenced by this Note or any other evidence of liability of Undersigned to Bank; (b) the breach by any Obligor (defined as Undersigned and each surety or guarantor or any of Undersigned's liabilities to Bank as well as any person or entity granting Bank a security interest in property to secure any indebtedness evidenced hereby) of any covenant contained in this Note or in any separate security, guarantee or suretyship agreement between Bank and any Obligor, the occurrence of any default hereunder or under the terms of any such agreement, or the discovery by Bank of any false or misleading representation made by any Obligor herein or in any such agreement or in any other information submitted to Bank by any Obligor; (c) with respect to any Obligor: (1) death or incapacity of any individual or general partner, or (2) dissolution of any partnership or corporation; (d) any assignment for the benefit of creditors by any Obligor; (e) insolvency of any Obligor; (f) the filing or commencement of any petition, action, case or proceeding, voluntary or involuntary, under any state or federal law regarding bankruptcy, insolvency, reorganization, receivership or dissolution, including the Bankruptcy Reform Act of 1978, as amended, by or against any Obligor; (g) default under the terms of any lease of or mortgage on the premises where real or personal property securing the indebtedness evidenced by this Note is located; (h) the garnishment, tax assessment, attachment or taking by governmental authority or other creditor of any property of any Obligor which is in Bank's possession or which constitutes security for any indebtedness evidenced hereby; (i) entry of judgment against any Obligor in any court of record; (j) the assessment against any Obligor by the Internal Revenue Service or any other federal, state or local taxing

authority or unpaid taxes, or the issuance of a levy or the entering of a lien in connection therewith; (k) change in control of or transfer of any interest in any Obligor (other than an Obligor who is an individual); (l) a determination by Bank, which determination shall be conclusive if made in good faith, that a material adverse change has occurred in the financial or business condition of any Obligor; (m) the maturity of any life insurance policy held as collateral for the indebtedness evidenced by this Note by reason of the death of the insured or otherwise; (n) the revocation, termination, cancellation, denial of liability, or the attempt of any of the foregoing, by any Obligor of any obligation or liability whatsoever of the Obligor to Bank, including without limitation any security, guarantee or suretyship agreement; or (o) default by Undersigned in the payment of any indebtedness of Undersigned or in the performance of any of Undersigned's obligations (other than indebtedness or obligations evidenced by this Note or any other evidence of liability of Undersigned to Bank) and such default shall continue for more than any applicable grace period.

3. Acceleration; Remedies. Upon the occurrence of any Event of Default: (a) at its option, Bank may immediately and without notice temporarily stop allowing the borrowing of money, or close Undersigned's Line of Credit and permanently stop allowing the borrowing of money; (b) all amounts due under this Note, including the unpaid balance of principal and interest hereof, shall become immediately due and payable at the option of Bank, without any demand or notice whatsoever; and (c) Bank may immediately and without demand exercise any of its rights and remedies granted herein, under applicable law, or which it may otherwise have, against Undersigned or otherwise. Notwithstanding any provision to the contrary contained herein, upon the occurrence of an Event of Default as described in Section 2(f) hereof, all amounts due under this Note, including without limitation the unpaid balance of principal and interest hereof, shall become immediately due and payable, without any demand, notice or further action by Bank whatsoever, and an action therefor shall immediately accrue.

4. Bank's Rights. Undersigned hereby authorizes Bank, and Bank shall have the continuing right, at its sole option and discretion, to: (a) do anything which Undersigned is required but fails to do, and in particular Bank may, if Undersigned fails to do so, obtain and pay any premiums payable on any policy of insurance required to be obtained or maintained hereunder; (b) direct any insurer to make payment of any insurance proceeds, including any returned or unearned premiums, directly to Bank, and apply such moneys to any indebtedness or other amount evidenced hereby in such order or fashion as Bank may elect; (c) pay the proceeds of the Line of Credit evidenced by this Note to any or all of the Undersigned individually or jointly, or to such other person(s) as any of the Undersigned may direct; and (d) add any amounts paid or incurred by Bank under Section 1(i), Section 1(j) or Section 4(a) to the principal amount of the indebtedness evidenced by this Note.

5. Authorization to Borrow. Undersigned hereby represents, warrants, certifies and covenants as follows:

(a) If Undersigned is a corporation, that the person(s) signing below hold(s) the office(s) indicated below (and continue to hold such office(s) until Bank has received notice to the contrary in writing from Undersigned), and that the Board of Directors of Undersigned has adopted resolutions providing that: (1) the person(s) executing and delivering this Note on behalf of Undersigned is/are authorized (i) to incur indebtedness and obligations on behalf of Undersigned by borrowing or making other financial arrangements with Bank from time to time, upon terms and conditions as they in their sole discretion deem desirable, (ii) to make, execute and deliver promissory notes, letter of credit agreements, security agreements, assignments, mortgages and all other documents

6. Definitions; Miscellaneous Provisions. (a) Undersigned waives (except where requested hereby) notice of action taken by Bank; and hereby ratifies and confirms whatever Bank may do. Bank shall be entitled to exercise any right notwithstanding any prior exercise, failure to exercise or delay in exercising any such right. (b) Bank shall retain the lien of any judgment entered on account of the indebtedness evidenced hereby. Undersigned warrants that Undersigned has no defense whatsoever to any action or proceeding that may be brought to enforce or realize on any such judgment. Undersigned hereby acknowledges that this appointment of Bank and each holder hereof as attorney-in-fact is irrevocable and is coupled with an interest. With Power to Confess Judgment

1. To induce

Mellon Bank, N.A.

("Bank") to transact business and to make credit accommodations with

INTERNATIONAL SATELLITE SYSTEMS, INC.

DBA INTERNATIONAL CABLE SYSTEMS

("Debtor"). Undersigned, as defined below, does hereby guarantee, absolutely and unconditionally, and does hereby become surety for the full and timely payment of the principal of, and interest on, all obligations, debts, dues, instruments, liabilities, advances, judgments, damages, losses, claims, contracts, and choses in action, of whatever nature and however arising, past, present or future, and any and all extensions and renewals thereof in whole or in part, whether direct or indirect, absolute or contingent, voluntary or involuntary, now, due or to become due, and whether owed to Bank from Debtor as drawer, maker, endorser, assignor, guarantor, surety, or otherwise whatsoever ("Obligations"), except this Guaranty and Suretyship Agreement ("Agreement") shall not extend to any obligation of Debtor which is defined as "consumer credit" by Federal Reserve Board Regulation Z, 12 C.F.R. § 226.1 et seq., and is not exempted from the application of that Regulation. Undersigned will reimburse Bank or any subsequent holder hereof for all expenses incurred, and not reimbursed by Debtor, in collection of any Obligations. If this Agreement is referred for collection to an attorney, Undersigned will pay an attorney's fee equal to the lesser of (a) 20% of the amount due or \$500, whichever is greater, or (b) the maximum amount permitted by law, and costs of legal proceedings. The Undersigned's Obligations hereunder shall be payable at Bank's offices at

Pittsburgh, Pennsylvania

2. This is a guaranty of payment and not merely of collection. In the event of any default by Debtor in payment or otherwise on any Obligations, Undersigned will pay all or any portion of Obligations due or thereafter becoming due, whether by acceleration or otherwise, without defalcation or offset of any kind, without Bank first being required to make demand upon Debtor or pursue any of its rights against Debtor, or against any other person, including other guarantors; and without being required to liquidate or realize on any collateral security. In any right of action accruing to Bank, Bank may elect to proceed against (a) Undersigned together with Debtor; (b) Undersigned and Debtor individually; or (c) Undersigned only without having first commenced any action against Debtor.

3. Undersigned hereby grants to Bank a security interest in, lien upon, and right of setoff against, all deposit accounts, credits, securities, moneys or other personal property of Undersigned which may at any time be in the possession of, delivered to or owed by Bank, including any proceeds or returned or unearned premiums of insurance, and the proceeds of all the foregoing property.

4. Bank, without notice to Undersigned, may deal with Obligations and any collateral security therefor in such manner as Bank may deem advisable and may renew or extend Obligations or any part thereof; may accept partial payment, or settle, release, or compromise the same; may

demand additional collateral security for Obligations, and substitute or release the same; and may compromise or settle with or release and discharge from liability any of Undersigned or any other guarantor of Obligations, or any other person liable to Bank for all or part of the Obligations; all without impairing the liability of Undersigned hereunder.

5. Undersigned hereby unconditionally waives: (a) notice of acceptance of this Agreement by Bank and any notice of the incurring by Debtor of any Obligations; (b) presentment for payment, notice of nonpayment, demand, protest, notice of protest and notice of dishonor or default to any party including Undersigned; (c) all other notices to which Undersigned may be entitled but which may legally be waived; (d) demand for payment as a condition of liability under this Agreement; (e) any disability of Debtor or defense available to Debtor, including absence or cessation of Debtor's liability for any reason whatsoever; (f) any defense or circumstance which might otherwise constitute a legal or equitable discharge of a guarantor or surety; (g) all rights under any state or federal statute dealing with or affecting the rights of creditors; and (h) until Obligations are paid in full, any right to subrogation or realization on any of Debtor's property, including participation in the marshalling of Debtor's assets.

6. This Guaranty and Suretyship Agreement and Undersigned's payment obligations hereunder shall continue to be effective or be reinstated, as the case may be, if at any time payment of any of Obligations is rescinded or must otherwise be restored or returned by Bank, all as though such payment had not been made. Bank's good faith determination as to whether a payment must be restored or returned shall be binding on Undersigned.

7. Until Obligations are paid in full, Undersigned hereby unconditionally subordinates to Obligations all present and future debts, liabilities, or obligations of Debtor to Undersigned, and all amounts due under such debts, liabilities, or obligations shall be collected and paid over to Bank on account of Obligations. Undersigned, at Bank's request, shall execute a subordination agreement in favor of Bank to further evidence and support the purpose of this Paragraph 7.

8. Undersigned warrants to Bank: (a) no other agreement, representation or special condition exists between Undersigned and Bank regarding the liability of Undersigned hereunder; nor does any understanding exist between Undersigned and Bank that the Obligations of Undersigned hereunder are or will be other than as set out herein; and (b) as of the date hereof Undersigned has no defense whatsoever to any action or proceeding that may be brought to enforce this Agreement.

9. Undersigned will provide financial information to Bank upon request, including balance sheets and income statements, in form and content satisfactory to Bank.

10. No failure or delay on the part of Bank in exercising any right, power or privilege hereunder shall constitute a waiver thereof; nor shall any single

any right, power or privilege hereunder. Exclude any other or further exercise thereof, or the exercise of any other right, power or privilege. Failure by Bank to insist upon strict performance hereof shall not constitute a relinquishment of its right to demand strict performance at another time. Receipt by Bank of any payment by any person on Obligations, with knowledge of a default on any of Obligations or of a breach of this Agreement, or both, shall not be construed as a waiver of the default or breach.

11. THIS AGREEMENT IS A CONTINUING GUARANTY AND SHALL CONTINUE IN FORCE UNTIL RECEIPT BY BANK OF WRITTEN NOTICE OF REVOCATION BY UNDERSIGNED OR RECEIPT OF NOTICE OF UNDERSIGNED'S DEATH; AND IN EITHER OF SUCH EVENTS THIS AGREEMENT SHALL CONTINUE IN EFFECT NEVERTHELESS UNTIL ALL EXISTING OBLIGATIONS OF DEBTOR TO BANK ARE PAID; IT BEING CONTEMPLATED THAT DEBTOR MAY CREATE OR INCUR OBLIGATIONS, REPAY AND SUBSEQUENTLY CREATE OR INCUR OBLIGATIONS WITHOUT NOTICE TO UNDERSIGNED; AND UNDERSIGNED, BY PERMITTING THIS AGREEMENT TO REMAIN IN EFFECT, SHALL BE BOUND.

12. This Agreement is freely assignable and transferable by Bank; however, the duties and obligations of Undersigned may not be delegated or transferred by Undersigned without the written consent of Bank. The rights and privileges of Bank shall inure to the benefit of its successors and assigns, and the duties and obligations of Undersigned shall bind Undersigned's heirs, personal representatives, successors and assigns.

13. If any provision hereof shall for any reason be held invalid or unenforceable, no other provision shall be affected thereby, and this Agreement shall be construed as if the invalid or unenforceable provision had never been a part of it.

14. As used herein, "Undersigned" refers individually and collectively to all signers of this Agreement, including in the case of any partnership all general partners of such partnership individually and collectively, whether or not such partners sign below. Undersigned shall each be jointly and severally bound by the terms hereof, and each general partner of any partnership executing this Agreement shall be bound hereby both in such general partner's individual and partnership capacities.

15. This Agreement shall in all respects be governed by the laws of the state where Undersigned's Obligations hereunder are payable as set forth herein.

16. UNDERSIGNED HEREBY EMPOWERS THE PROTHONOTARY OR ANY ATTORNEY OF ANY COURT OF RECORD TO APPEAR FOR UNDERSIGNED AND TO CONFESS JUDGMENT AS OFTEN AS NECESSARY AGAINST UNDERSIGNED IN FAVOR OF THE HOLDER HEREOF, AS OF ANY TERM, FOR THE ABOVE DESCRIBED OBLIGATIONS PLUS INTEREST DUE, TOGETHER WITH COSTS OF SUIT AND AN ATTORNEY'S COMMISSION EQUAL TO THE LESSER OF (A) 20% OF ALL SUCH OBLIGATIONS OR \$500, WHICHEVER IS GREATER, OR (B) THE MAXIMUM AMOUNT PERMITTED BY LAW, WITH RELEASE OF ALL ERRORS. UNDERSIGNED WAIVES ALL LAWS EXEMPTING REAL OR PERSONAL PROPERTY FROM EXECUTION.

In no event shall the rate charged on this Note exceed _____% per annum.

The principal balance hereof, together with all accrued and unpaid interest, shall be paid on _____ and interest at the rate of _____% per annum shall be paid on the _____ day of each month commencing on _____.

TWC RLA Interest shall be calculated at the rate of 9.61% per annum. Principal and interest shall be paid in 023 consecutive monthly installments of \$ 383.21 each, commencing on _____.

07/20/96 and continuing thereafter on the 20th day of each month with the balance of the indebtedness, if not sooner paid, due and payable on 06/20/1998. During any period that the Contractual Rate(s) is reduced by 0.25% per annum, as described elsewhere in this Note, installments of principal and interest shall instead be in the amount of \$ 382.23 each. If the reduction in the Contractual Rate(s) is no longer in effect, the amount of installments of principal and interest shall return to and be the same as the amount of such installments prior to the reduction in the Contractual Rate(s).

Undersigned shall pay Bank concurrently with the execution and delivery hereof, or Undersigned previously has paid Bank, an origination fee of \$ 50.00, to compensate Bank for its underwriting, origination and administration of the loan evidenced by this Note. This fee shall be deemed fully earned by Bank on the date hereof, shall not be refunded, and is in addition to any other fees, costs or expenses which may be due and payable hereunder.

Unless Undersigned has authorized Bank to take payments out of a Mellon Checking Account, as set forth below, Undersigned will mail or deliver to Bank the amount billed by Bank each month. Undersigned will mail or deliver the payments so that Bank receives all payments no later than the due date shown on each bill.

TWC RLA Undersigned authorizes Bank to take all payments of principal and/or interest and/or other amounts due under this Note out of Undersigned's Mellon Checking Account Number 009-6241, titled in the name(s) of INTERNATIONAL CABLE SYSTEMS, on or after the 20th day of each month. Undersigned will keep a sufficient balance in this account to cover the full amounts of all required payments. At its option, Bank may terminate Undersigned's ability to use this service. This authorization shall remain in effect until revoked by Undersigned in writing or until the loan evidenced by this Note is paid in full or until Bank has terminated Undersigned's ability to use this service, as the case may be. Prior to maturity, while this authorization is in effect and provided that Undersigned keeps a sufficient balance in this account to cover the full amounts of all required payments, the Contractual Rate(s) shall be reduced by 0.25% per annum. This authorization will be effective even though this Note and the account may be titled in different versions of Undersigned's name.

If the original principal amount of this Note is in excess of \$10,000.00, or if Undersigned is a corporation, interest shall be calculated on the basis of a 360-day year and actual days elapsed. If the original principal amount of this Note is \$10,000.00, or less, and Undersigned is not a corporation, interest shall be calculated on the basis of a 365-day year or 366-day year, as the case may be, and actual days elapsed.

"Prime Rate" shall mean the interest rate per annum announced from time to time by Bank as its Prime Rate. The Prime Rate may be greater or less than other interest rates charged by Bank to other borrowers and is not solely based or dependent upon the interest rate which Bank may charge any particular borrower or class of borrowers.

If a single certificate of deposit is held by Bank as collateral security for the indebtedness evidenced by this Note described in the Assignment of Deposit Account to this Note, "CD Rate" shall mean the interest rate on such certificate of deposit (the "Certificate"),

reset by Bank at each renewal of the Certificate. If more than one certificate of deposit is held by Bank as collateral security for the indebtedness evidenced by this Note, as more fully described in the Assignment(s) of Deposit Account expressly referring to this Note, "CD Rate" shall mean the highest of the interest rates paid by Bank on such certificates of deposit (the "Certificates"), said CD Rate to be reset at each renewal of each Certificate.

Late Charge. If any payment (including without limitation any regularly scheduled payment, balloon payment or final payment) is not paid within 15 calendar days after it is due, Undersigned will pay a late charge of the greater of \$25.00, or three percent (3%) of the unpaid portion of the scheduled payment due (regardless of whether the payment due consists of principal and interest, principal only or interest only). Such late charge shall be in addition to any increase made to the Contractual Rate(s) applicable to the outstanding balance hereof as a result of maturity of this Note or otherwise, as well as in addition to any other applicable fees, charges and costs.

Default Rate(s); Post-Maturity Rate(s). Upon the occurrence of any Event of Default (as defined in this Note), at Bank's option, interest shall accrue at a rate equal to two percent (2%) per annum above the Contractual Rate(s) until the earlier of the date that such Event of Default has been cured or until and including the date of maturity hereof.

After maturity, whether by acceleration or otherwise, interest shall accrue at a rate equal to two percent (2%) per annum above the Contractual Rate(s) until all sums due hereunder are paid. Interest shall continue to accrue after the entry of judgment (by confession or otherwise) at the Contractual Rate(s) until all sums due hereunder and/or under the judgment are paid, except that after maturity or, at Bank's option, upon the occurrence of any Event of Default, interest shall accrue at a rate equal to two percent (2%) per annum above the Contractual Rate(s).

Books and Records; Time of Essence. So long as Bank is the holder hereof, Bank's books and records shall be presumed, except in the case of manifest error, to accurately evidence at all times all amounts outstanding under this Note and the date and amount of each advance and payment made pursuant hereto.

The prompt and faithful performance of all of Undersigned's obligations hereunder, including without limitation time of payment, is of the essence of this Note.

Security Interest, Setoff and Assignments. To secure all amounts at any time owing or payable under this Note and Undersigned's obligations hereunder, as well as to secure all costs and expenses incurred by Bank in the collection or enforcement of this Note or the protection of any collateral securing this Note (including without limitation all advances made by Bank for taxes, levies, insurance, filing fees, and repairs to or maintenance of said collateral), Undersigned hereby grants to Bank a security interest in, lien upon, and right of setoff against, all deposit accounts, credits, securities, moneys, or other property of Undersigned which may at any time be in the possession of, delivered to, or owed by Bank, including any proceeds or returned or unearned premiums of insurance, and the proceeds of all the foregoing property. Other property, real or personal, may secure this Note, as set forth in other documents and agreements.

Undersigned acknowledges and agrees that Undersigned shall renew, or cause to be renewed, the Certificate(s), if any, until the indebtedness evidenced by this Note has been paid in full. Undersigned further agrees that Undersigned will execute, or will cause to be executed, upon demand by Bank any financing statements or other documents, including, without limitation, additional Assignments of Deposit Account, which Bank may deem necessary or desirable to evidence, perfect or maintain perfection of the security interests created in the Certificate(s) and any renewals, replacements and substitutions thereof.

3. Acceleration; Remedies. Upon the occurrence of any Event of Default: (a) all amounts due under this Note, including the unpaid balance of principal and interest hereof, shall become immediately due and payable at the option of Bank, without any demand or notice whatsoever; and (b) Bank may immediately and without demand exercise any of its rights and remedies granted herein, under applicable law, or which it may otherwise have, against Undersigned or otherwise. Notwithstanding any provision to the contrary contained herein, upon the occurrence of an Event of Default as described in Section 2(f) hereof, all amounts due under

this Note, including without limitation the unpaid balance of principal and interest hereof, shall become immediately due and payable, without any demand, notice or further action by Bank whatsoever, and an action therefor shall immediately accrue.

4. Bank's Rights. 5. Authorization to Borrow. Undersigned hereby represents, warrants, certifies and covenants as follows:

CASE NO. 8783

NOTICE OF FILING OF FOREIGN JUDGMENT

You are hereby notified that on **February 17, 1998**, pursuant to Ohio Revised Code Section 2329.022, **Mellon Bank** filed a copy of the judgment obtained by them against you on **February 5, 1998** in the **Court of Common Pleas of Butler County PA** a copy of which is attached to this notice.

This judgment, on being filed pursuant to this section, has the same effect and is subject to the same procedures, defenses, and proceedings for reopening, vacating, or staying as a judgment of a Court of Common Pleas of this state, and may be enforced or satisfied in same manner as a judgment of a court of common pleas. However, no execution or other process for enforcements of a judgment that is filed pursuant to this section may issue until thirty days after the date that judgment is filed.

If you are able to show to this court that an appeal is pending or will be taken from this judgment, or that a stay of execution has been granted, and if proof is given to this court that you have furnished the security for satisfaction of the judgment that is required by the jurisdiction in which the judgment was issued, this court will stay enforcement of the judgment until the appeal is finally decided, the time for appeal expires, or the stay of execution expires of is vacated.

Further, if you are able to show to this court any ground upon which enforcement of a judgment of this court would be stayed, the court will, upon requiring the security for satisfaction of the judgment provided under Ohio law, stay enforcement of the judgment for an appropriate period.

You therefore have a period of 30 days beginning on **February 17, 1998**, the date of filing of this judgment, within which to request, and to demonstrate to this court that you are entitled to, a stay of enforcement of this judgment. Failure to make such a request within this time may result in the execution of this judgment against your property without further notice.

It is recommended that you contact an attorney if you wish to request a stay of enforcement of this judgment. You may also wish to contact plaintiff's attorney in this state, **J. Michael McCague**, and whose telephone number is **(412) 471-8521**.

COLLATERAL PROTECTION INSURANCE REQUIREMENT

BUYER hereby agrees and promises to obtain and, so long as there is any unpaid balance on the Amount Financed on the reverse side, to keep in force insurance on the Vehicle described on the reverse side, covering loss or damage to it because of fire, theft, or collision, in an amount at least equal to the unpaid balance from time to time on the Amount Financed ("Collateral Protection" insurance). The Finance Company shall be named as the beneficiary of such insurance. BUYER may obtain Collateral Protection Insurance from the insurer of his choice, however, The Finance Company shall have the right to disapprove the insurer for reasonable cause. In the event of loss or damage covered by such insurance, The Finance Company may permit the insurance proceeds to be applied to the costs of repair of the Vehicle or, at its sole option, apply those proceeds against the then unpaid balance of the Amount Financed if BUYER fails to obtain such insurance, or to keep it in force so long as there is any unpaid balance on the Amount Financed, such will constitute a default with respect to the Promissory Note and contract; and, in such event, The Finance Company may, at its sole option, without waiving any of its other default rights or remedies, itself obtain and keep in force such insurance from an insurer selected by it. Premiums paid by The Finance Company for such insurance shall be, at the sole option of The Finance Company (i) repayable to it by BUYER in full upon demand, (ii) repayable in equal monthly installments, together with interest at the annual rate stated as the Annual Percentage Rate on the reverse side, with the remaining scheduled payments on this contract, or (iii) repayable out of loan payments previously received if BUYER has made payments to The Finance Company in excess of scheduled monthly payments sufficient to repay such premium(s). The purpose of the above-required insurance is, of course, to protect The Finance Company's interest in the Vehicle (the "Collateral" for its loan); however, it may also benefit the BUYER to the extent that insurance proceeds may be permitted to offset some of the costs of repair or, at The Finance Company's option, are applied against the then unpaid balance of the Amount Financed for which the BUYER is liable. **COLLATERAL PROTECTION INSURANCE PROVIDES NO LIABILITY, MEDICAL PAYMENTS, UNINSURED MOTORIST OR PERSONAL PROPERTY CONTENTS INSURANCE COVERAGE, NOR WILL IT PROVIDE THE PUBLIC LIABILITY COVERAGE THAT MAY BE REQUIRED BY STATE LAW.**

GENERAL COVENANTS & PROVISIONS

The Buyer will take care of the Vehicle and will obey all laws in using it and will require others using it to do the same. The Seller shall have the right to inspect the Vehicle from time to time upon demand. The Buyer will not sell the Vehicle and will keep it free from the claims or liens of other persons. The Buyer will garage and use the Vehicle only in the state where he now lives unless the Seller gives its prior written consent to garage it in another state.

 If the Buyer fails to make any payment when it is due... to keep any other agreement in this contract, or if Seller has reason to believe that Buyer intends to violate, or has become unable to fulfill, any covenant or obligation hereunder, or Seller considers itself to be unsecured for any reason, then the Seller may do either or all of the following:
a. Acceleration of Payments: The Seller may require the Buyer to pay at once all remaining payments by declaring the same to be immediately due and payable. The Buyer will receive a prepayment rebate as explained herein when he pays if such rebate is then payable.
b. Repossession: The Seller may repossess the Vehicle. The Seller may also take goods found in or on the Vehicle and hold them for the Buyer. If the Vehicle is taken back, the Seller will send a notice to the Buyer. The notice will state that the Buyer may redeem (buy back) the Vehicle. It will also show the amount needed to redeem. The Buyer may redeem the Vehicle up to the time the Seller sells it or agrees to sell it. If the Buyer does not redeem the Vehicle, it will be sold. The money from the sale, less allowed expenses, will be used to pay the amount still owed on this Contract. Allowed expenses are those paid as a direct result of having to retake the Vehicle, hold it, prepare it for sale and sell it. Lawyers' fees and legal costs are allowed too. If there is any money left (a surplus), it will be paid to the Buyer. If the money from the sale is not enough to pay off this Contract and all costs, the Buyer will pay what is still owed to the Seller.
 The Seller's acceptance of any late payment or late charge does not excuse the Buyer's default or mean that the Buyer can keep making payments after they are due. The Seller may accelerate the remaining payments and repossess the Vehicle, as explained above, if there is any default.
Prepayment Rights: The Buyer may pay off in full or in part his indebtedness hereunder at any time without notice. If the Buyer pays off all of his indebtedness in full before the Final Payment is due, he will be entitled to certain credits, computed by the Rule of 78 method, as follows: (i) credit for the unearned part of the Finance Charge after deducting a \$25.00 finance, acquisition or prepayment fee; and, (ii) credit for the unearned part of insurance premiums that were financed by Seller hereunder, if such credit is \$2.00 or more. The foregoing credits, if any, may be credited to Buyer's final prepayment or may be rebated to him thereafter, at the election of the Seller or Holder.
NOTICE: IF YOU PAY THIS LOAN OR SALE ON CREDIT PARTIALLY OR IN FULL BEFORE ITS DUE DATE, THE AMOUNT OF INTEREST YOU PAY WILL BE GREATER THAN THE AMOUNT OF INTEREST YOU WOULD PAY FOR A SIMPLE INTEREST LOAN OF THE SAME PRINCIPAL AMOUNT.
 THIS CONTRACT IS CONTINUED ON THE REVERSE SIDE.

PROMISSORY NOTE

FOR VALUE RECEIVED, the undersigned Buyer (and Co-Buyer), jointly and severally if more than one, hereby promise(s) to pay to the order of Seller, its successors or assigns, all of the Payments specified in the Federal Truth-in-Lending Disclosure block above in accordance with the payment schedule stated therein, together with all late-payment and returned-check charges. Buyer (and Co-Buyer), jointly and severally if more than one, further covenant that he shall fully and promptly perform each and every representation, obligation, undertaking, and agreement made by or applicable to him in this instrument, without notice or demand therefor by Seller, its successors and assigns.

The Seller's acceptance of any late payment or late charge does not excuse the Buyer's default or mean that the Buyer can keep making payments after they are due. The Seller may accelerate the remaining payments and repossess the Vehicle, as explained above, if there is any default.
Prepayment Rights: The Buyer may pay off in full or in part his indebtedness hereunder at any time without notice. If the Buyer pays off all of his indebtedness in full before the Final Payment is due, he will be entitled to certain credits, computed by the Rule of 78 method, as follows: (i) credit for the unearned part of the Finance Charge after deducting a \$25.00 finance, acquisition or prepayment fee; and, (ii) credit for the unearned part of insurance premiums that were financed by Seller hereunder, if such credit is \$2.00 or more. CASE NO. 8824

Frank S. Larrison

NOTICE OF FILING OF FOREIGN JUDGMENT

You are hereby notified that on May 7, 1998, pursuant to Ohio Revised Code Section 2329.022, The Finance Company filed a copy of the judgment obtained by them against you on February 15, 1996 in the General District Court of the City of Virginia Beach a copy of which is attached to this notice.

This judgment, on being filed pursuant to this section, has the same effect and is subject to the same procedures, defenses, and proceedings for reopening, vacating, or staying as a judgment of a Court of Common Pleas of this state, and may be enforced or satisfied in same manner as a judgment of a court of common pleas. However, no execution or other process for enforcements of a judgment that is filed pursuant to this section may issue until thirty days after the date that judgment is filed.

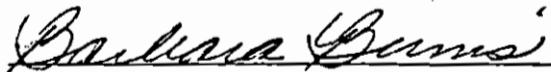

If you are able to show to this court that an appeal is pending or will be taken from this judgment, or that a stay of execution has been granted, and if proof is given to this court that you have furnished the security for satisfaction of the judgment that is required by the jurisdiction in which the judgment was issued, this court will stay enforcement of the judgment until the appeal is finally decided, the time for appeal expires, or the stay of execution expires of is vacated.

Further, if you are able to show to this court any ground upon which enforcement of a judgment of this court would be stayed, the court will, upon requiring the security for satisfaction of the judgment provided under Ohio law, stay enforcement of the judgment for an appropriate period.

You therefore have a period of 30 days beginning on May 7, 1998, the date of filing of this judgment, within which to request, and to demonstrate to this court that you are entitled to, a stay of enforcement of this judgment. Failure to make such a request within this time may result in the execution of this judgment against your property without further notice.

It is recommended that you contact an attorney if you wish to request a stay of enforcement of this judgment. You may also wish to contact plaintiff's attorney in this state, Bradley K. Baker, and whose telephone number is (614) 227-4593.

CASE NO. 8863

**Kenneth A. Motil
dba Korte's Tavern**

NOTICE OF FILING OF FOREIGN JUDGMENT

You are hereby notified that on July 13, 1998, pursuant to Ohio Revised Code Section 2329.022, **The Bancorp Group Inc.** filed a copy of the judgment obtained by them against you on June 25, 1997 in the State of Michigan, 46th Judicial District Judicial Court a copy of which is attached to this notice.

This judgment, on being filed pursuant to this section, has the same effect and is subject to the same procedures, defenses, and proceedings for reopening, vacating, or staying as a judgment of a Court of Common Pleas of this state, and may be enforced or satisfied in same manner as a judgment of a court of common pleas. However, no execution or other process for enforcements of a judgment that is filed pursuant to this section may issue until thirty days after the date that judgment is filed.

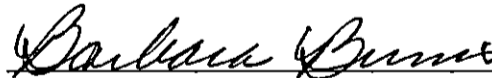

If you are able to show to this court that an appeal is pending or will be taken from this judgment, or that a stay of execution has been granted, and if proof is given to this court that you have furnished the security for satisfaction of the judgment that is required by the jurisdiction in which the judgment was issued, this court will stay enforcement of the judgment until the appeal is finally decided, the time for appeal expires, or the stay of execution expires of is vacated.

Further, if you are able to show to this court any ground upon which enforcement of a judgment of this court would be stayed, the court will, upon requiring the security for satisfaction of the judgment provided under Ohio law, stay enforcement of the judgment for an appropriate period.

You therefore have a period of 30 days beginning on July 13, 1998, the date of filing of this judgment, within which to request, and to demonstrate to this court that you are entitled to, a stay of enforcement of this judgment. Failure to make such a request within this time may result in the execution of this judgment against your property without further notice.

It is recommended that you contact an attorney if you wish to request a stay of enforcement of this judgment. You may also wish to contact plaintiff's attorney in this state, Ernest V. Thomas III, and whose telephone number is (513) 961-5311.
