You are hereby notified that on May 19, 1988, pursuant to Ohio Revised Code, Section 2929.022, Ken Miller Supply of W. Va., Inc., 1537 Blanchleyville Road, P. O. Box 786, Wooster, Ohio 44691, filed a copy of the judgment obtained by him against you on January 15, 1988 in the Circuit Court of Pleasants County, West Virginia, a copy of which is attached to this notice.

This judgment, on being filed pursuant to this section, has the same effect and is subject to the same procedures, defenses, and proceedings for reopening, vacating, or staying as a judgment of a court of common pleas of this state, and may be enforced or satisfied in same manner as a judgment of a court of common pleas. However, no execution or other process for enforcement of a judgment that is filed pursuant to this section may issue until thirty days after the date that judgment is filed.

If you are able to show to this Court that an appeal is pending or will be taken from this judgment, or that a stay of execution has been granted, and if proof is given to this Court that you have furnished the security for satisfaction of the judgment that is required by the jurisdiction in which the judgment was issued, this Court will stay enforcement of the judgment until the appeal is finally decided, the time for appeal expires, or the stay of execution expires or is vacated.

Further, if you are able to show to this Court any ground upon which enforcement of a judgment of this Court would be stayed, the Court will, upon

requiring the security for satisfaction of the judgment provided under Ohio law, stay enforcement of the judgment for an appropriate period.

You therefore have a period of 30 days beginning on May 19, 1988, the date of filing of this judgment, within which to request, and to demonstrate to this Court that you are entitled to, a stay of enforcement of this judgment. Failure to make such a request within this time may result in the execution of this judgment against your property without further notice.

It is recommended that you contact an attorney if you wish to request a stay of enforcement of this judgment. You may also wish to contact plaintiff's attorney, whose address is: Gerald W. Townsend, Post Office Box 201, Parkersburg, WV 26102-0201, and whose telephone number is 304/422-5449.

NOTICE OF FILING FOREIGN JUDGMENT

Dan Lowther
Rt. 1, Box 12A
Linn, West Virginia 26384

You are hereby notified that on October 25, 1988, pursuant to Ohio Revised Code, Section 2329.022, Lewis County Savings & Loan, P. O. Box 329, Weston, West Virginia, filed a copy of the judgment obtained by it against you on April 27, 1987, in the Magistrate Court, County of Gilmore, State of West Virginia, a copy of which is attached to this notice.

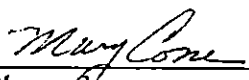

This judgment, on being filed pursuant to this section, has the same effect and is subject to the same procedures, defenses, and proceedings for reopening, vacating, or staying as a judgment of a court of common pleas of this state, and may be enforced or satisfied in the same manner as a judgment of a court of common pleas. However, no execution or other process for enforcement of a judgment that is filed pursuant to this section may issue until thirty days after the date that judgment is filed.

If you are able to show to this court that an appeal is pending or will be taken from this judgment, or that a stay of execution has been granted, and if proof is given to this Court that you have furnished security for satisfaction of the judgment that is required by the jurisdiction in which the judgment was issued, this Court will stay enforcement of the judgment until the appeal is finally decided, the time for appeal expires, or the stay of execution expires or is vacated.

Further, if you are able to show to this court any ground upon which enforcement of a judgment of this Court would be stayed, the Court will, upon requiring the security for satisfaction of the judgment provided under Ohio law, stay enforcement of the judgment for an appropriate period.

You therefore have a period of 30 days beginning on October 25, 1988, the date of filing of this judgment, within which to request, and to demonstrate to this Court that you are entitled to, a stay of enforcement of this judgment. Failure to make such a request within this time may result in the execution of this judgment against your property without further notice.

It is recommended that you contact an attorney if you wish to request a stay of enforcement of this judgment. You may also wish to contact plaintiff's attorney in this state, Andrew J. Warhola Jr., BancOhio Building, Cambridge, Ohio 43725, and whose telephone number is 614/439-7711.

NOTICE OF FILING FOREIGN JUDGMENT

You are hereby notified that on December 13, 1988, pursuant to Ohio Revised Code, Section 2329.022, James R. Billingsley and Birdie Billingsley, R. R. #1, Huntsville, IL 62344, filed a copy of the judgment obtained by them against you on September 8, 1988, in the Circuit Court of the Tenth Judicial Circuit of Illinois, Peoria County, a copy of which is attached to this notice.

This judgment, on being filed pursuant to this section, has the same effect and is subject to the same procedures, defenses, and proceedings for reopening, vacating, or staying as a judgment in a court of common pleas of this state, and may be enforced or satisfied in the same manner as a judgment of a court of common pleas. However, no execution or other process for enforcement of a judgment that is filed pursuant to this section may issue until thirty days after the date that judgment is filed.

If you are able to show to this court that an appeal is pending or will be taken from this judgment, or that a stay of execution has been granted, and if proof is given to this Court that you have furnished security for satisfaction of the judgment that is required by the jurisdiction in which the

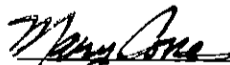

judgment was issued, this Court will stay enforcement of the judgment until the appeal is finally decided, the time for appeal expires, or the stay of execution expires or is vacated.

Further, if you are able to show to this court any ground upon which enforcement of a judgment of this Court would be stayed, the Court will, upon requiring the security for satisfaction of the judgment provided under Ohio law, stay enforcement of the judgment for an appropriate period.

You, therefore, have a period of thirty (30) days beginning on December 13, 1988, the date of filing of this judgment, within which to request, and to demonstrate to this court that you are entitled to, a stay of enforcement of this judgment. Failure to make such a request within this time may result in the execution of this judgment against your property without further notice.

It is recommended that you contact an attorney if you wish to request a stay of enforcement of this judgment. You may also wish to contact plaintiffs' attorney in this state:

Robert E. Cesner Jr.

Worthington, OH 43085.
