NOTICE OF FILING FOREIGN JUDGMENT

You are hereby notified that on April 29, 1991, pursuant to Ohio Revised Code, Section 2392.022, Bethesda Memorial Hospital, Inc., a Not for Profit corporation, 2815 South Seacrest Boulevard, Boynton Beach, FL 33435, filed a copy of the judgment obtained by it against you on 22nd day of April, 1990, in the County Court of the 15th Judicial Circuit in and for Palm Beach County, Florida, in Case MS-89-015576-RB, a copy of which is attached to this notice.

This judgment, on being filed pursuant to this section has the same effect and is subject to the same procedures, defenses, and proceedings for reopening, vacating, or staying as a judgment of a court of common pleas of this state, and may be enforced or satisfied in the same manner as a judgment of a court of common pleas. However, no execution or other process for enforcement of a judgment that is filed pursuant to this section may issue until thirty (30) days after the date that judgment is filed.

If you are able to show to this court that an appeal is pending or will be taken from this judgment, or that a stay of execution has been granted, and if proof is given to this court that you have furnished the security for satisfaction of the judgment that is required by the jurisdiction in which the judgment was issued, this court will stay enforcement of the judgment until the appeal is finally decided, the time for appeal expires, or the stay of execution expires or is vacated.

Further, if you are able to show to this court any ground upon which enforcement of a judgment of this court would be stayed, the court will, upon requiring the security for satisfaction of the judgment provided for under Ohio law, stay enforcement of the judgment for an appropriate period.

This judgment, on being filed pursuant to this section, has the same effect and is subject to the same procedures, defenses, and proceedings for reopening, vacating, or staying as a judgment in a court of common pleas of this state, and may be enforced or satisfied in the same manner as a judgment of a court of common pleas. However, no execution or other process for enforcement of a judgment that is file pursuant to this section may issue until thirty days after the date that judgment is filed.

If you are able to show to this Court that an appeal is pending or will be taken from this judgment, or that a stay of execution has been granted, and if proof is given to this Court that you have furnished the security for satisfaction of the judgment that is required by the jurisdiction in which the judgment was issued, this Court will stay enforcement of the judgment until the appeal is finally decided, the time for appeal expires, or the stay of execution expires or is vacated.

Further, if you are able to show to this Court any ground upon which enforcement of a judgment of this Court would be stayed, the Court will, upon requiring the security for satisfaction of the judgment provided under Ohio law, stay enforcement of the judgment for an appropriate period.

You therefore have a period of thirty (30) days beginning

M. J. "MICKEY" WINLAND, 63062 Bobs Run Road, Cambridge,

You are hereby notified that on December, 3, 1991, pursuant to Ohio Revised Code, Section 2329.022, M. Brent Pauley of 12 Rose Street, New Martinsville, WV 26155 filed a copy of the judgment obtained by it against you on the 17th day of October, 1981 in the Magistrate Court of Wetzel County, West Virginia in Case No. 91 C 87, a copy of which is attached to this notice.

This judgment, on being filed pursuant to this section, has the same effect and is subject to the same procedures, defenses, and proceedings for reopening, vacating, or staying as a judgment in a court of common pleas of this state, and may be enforced or satisfied in the same manner as a judgment of a court of common pleas. However, no execution or other process for enforcement of a judgment that is file pursuant to this section may issue until thirty days after the date that judgment is filed.

If you are able to show to this Court that an appeal is pending or will be taken from this judgment, or that a stay of execution has been granted, and if proof is given to this Court that you have furnished the security for satisfaction of the judgment that is required by the jurisdiction in which the judgment was issued, this Court will stay enforcement of the judgment until the appeal is finally decided, the time for appeal expires, or the stay of execution expires or is vacated.

Further, if you are able to show to this Court any ground

upon which enforcement of a judgment of this Court would be stayed, the Court will, upon requiring the security for satisfaction of the judgment provided under Ohio law, stay enforcement of the judgment for an appropriate period.

You therefore have a period of thirty (30) days beginning on December 3, 1991, the date of filing of this judgment, within which to request, and to demonstrate to this Court that you are entitled to, a stay of enforcement of this judgment. Failure to make such a request within this time may result in the execution of this judgment against your property without further notice.

It is recommended that you contact an attorney if you wish to request a stay of enforcement of this judgment. You may also wish to contact the plaintiff, M. Brent Pauley, 12 Rose Street, New Martinsville, WV 26155.
